We ALL white and black have to STOP saying the black community! We will always loose control to the gov. If either party can convince a "black vote" to follow them. Saying this breeds division to ALL Americans while allowing monopolization through our non-united citizens! Please!

I wrote #AmericanCrusade before the Covid-19 nonsense & mob riots. Even more true today!

I don't see how people don't get it. The 2020 election is MAGA vs. ANTIFA. Period.

God bless @realDonaldTrump and his unrelenting crusade against anti-American Leftists.

> This is an America first election. In 2016, Trump voters were mostly hidden. Some "converted" late in the game; some weren't sure what kind of politician he'd be But now we know --and we know what we're up against. We've seen what he represents, and we've seen what the Left represents It's MAGA versus ANTIFA the red hats versus the black masks
>
> The goal of the Left's aggression is to intimidate us, which is precisely why we must have the courage to wear our red hats, put our bumper stickers on, go to rallies, and be unafraid to talk about our great country This will only force the radical Left to expose itself as even more fanatical --because you're not being fanatical You're being American. The Jewish connection to Judea & Samaria is over 4000 years old. It's where Judeo-Christian civilization was born. Time to put the Judea back into Judeo-Christian values! I have no doubt @realDonaldTrump will endorse the full application of Israeli law over J+S, per his plan.

The Jewish connection to Judea & Samaria is over 4000 years old. It's where Judeo-Christian civilization was born. Time to put the Judea back into Judeo-Christian values! I have no doubt @realDonaldTrump will endorse the full application of Israeli law over J+S, per his plan.

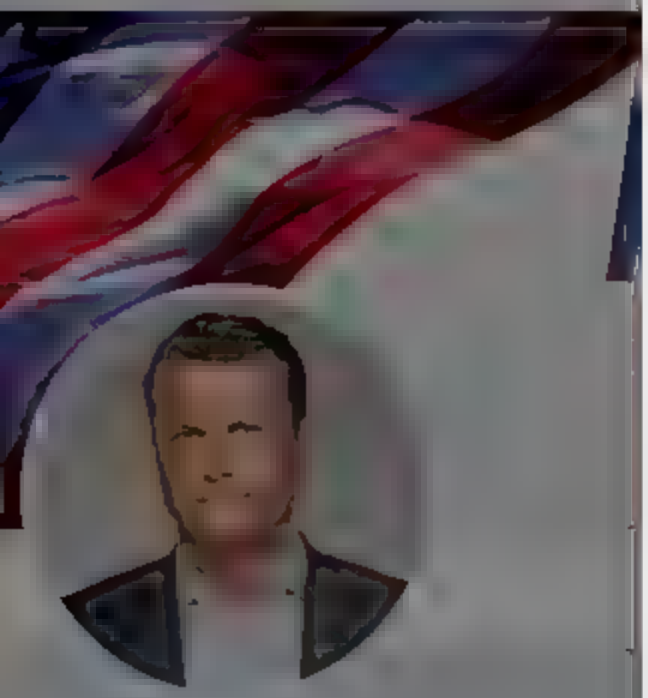
## FOX NEWS CHANNEL NAMES ESPN'S WILL CAIN CO-HOST OF FOX & FRIENDS WEEKEND

Published June 29, 2020

NEW YORK — JUNE 29, 2020 — FOX News Channel (FNC) has named former ESPN radio host and commentator Will Cain as co-host of *FOX & Friends Weekend* (Saturdays & Sundays 6-10AM/ET). Cain will make his official debut on Saturday, August 15th alongside co-hosts Jedediah Bila and Pete Hegseth.

In commenting on the announcement, Gavin Hadden, Vice President of Morning Programming said, "Will has a unique ability to connect with an audience on a wide variety of topics and will make an excellent addition to the *FOX & Friends* franchise."

Cain added, "I am excited to join the team at *FOX & Friends Weekend* and look forward to building upon my experience in sports, news and politics on the number one morning show in the country."



*FOX & Friends Weekend* has featured a substitute rotating co-host since Tucker Carlson moved to early primetime in 2016 and eventually the 8pm timeslot in 2017. The four-hour program regularly features a broad range of guests, including politicians, newsmakers, notable athletes and experts in the field of lifestyle and entertainment. According to Nielsen Media Research, *FOX & Friends Weekend* has continued to dominate the ratings, consistently ranking number one in cable with both total viewers and the coveted 25-54 younger demographic.

Most recently, Cain served as a personality on ESPN, hosting his own daily program on the network's radio platform entitled, *The Will Cain Show* and as a frequent panelist on the morning debate show *First Take*. He joined the sports network in 2015 as a contributor where he hosted *Fantasy Football Now*, an award winning, three-hour fantasy football program and frequently reported investigative pieces for *Outside the Lines*.

Previously, Cain served as a political analyst for CNN, co-hosting *In the Arena with Eliot Spitzer* prior to joining *Starting Point with Soledad O'Brien* in 2012. Additionally, he was a host on *The Blaze*, where he helmed a number of programs including, *Real News, Cain and Cupp*, and *The Cain Conversation*, in which he presented a series of in-depth interviews with influential leaders in business. Cain also ventured into the field of producing and released a mini-series entitled *Alisa vs. The Mayor* in 2014, focused on New York City Mayor Bill de Blasio's attempts to curb charter schools.

There are many countries around the world in which they may practice Islam, and most of those countries are intolerant of Christianity. I'm not suggesting that we should not tolerate Islam, but if they don't want to tolerate Christianity they should move to one of those countries

Don't let yourself get worked up over this fear-mongering style of "reporting." You can find just about anyone who will say just about anything - doesn't mean Muslims are intolerant of Christianity. I will point out that Iran is a theocracy and the US has the First Amendment.

What is being done to Laura Loomer and her congressional campaign is full-on 1984. See below from @parler_app.

Imagine being blocked and banned — by name — as you run a credible race for Congress?

I hope she wins, and wins big!

> This newest ban goes beyond just a ban of the Laura Loomer For Congress Facebook Page (which is required to run ads).
>
> My campaign was told yesterday that if a PAC attempted to advertise to promote my campaign, their ads would be taken down. Facebook said their new policy is that nothing about Laura Loomer is permitted on Facebook and for the duration of the election cycle, my campaign will not get access to run any of our own ads.
>
> People will be banned for simply typing my name "Laura Loomer".
>
> We have received several reports today from supporters who said their pages were suspended because the posted my donation

Nope, not Bernie.

It was Senator @KamalaHarris.

The Biden-Harris (or is it Harris-Biden?) ticket is the most extreme Leftist ticket ever assembled.

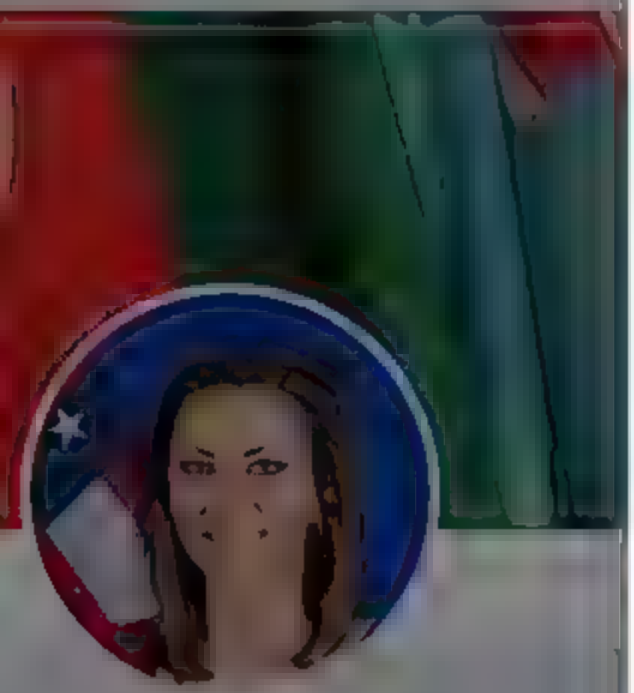
The Left is going wild saying @realDonaldTrump is "sabatoging" the Post Office.

Oops, but what about Obama?



"In fact, between 2011 and 2016, there were roughly 14,000 USPS mailboxes removed, which was during the Obama-Biden administration."

In 25 years we have not seen this type of peace agreement between Israel and an Arab state. It took dedicated efforts from the @realDonaldTrump Administration to break away from conventional thinking and work with Israelis, Palestinians, and regional partners toward a peace deal.

Makes sense. Hirono says "BELIEVE THE WOMEN!" She's as fake as Joe Biden speech. Blumenthal can't b/c he's attending a reunion of his combat troop from Vietnam. And besides, why should ACB waste her time?

#AmyConeyBarrett is everything the feminist movement dreamed of: a woman of high education and accomplishment, a mother who also professionally advanced and is nominated to the halls of power.

But none of that matters, because she's pro-life.

Great editorial by two veterans that know better than anyone — Darin & Peter have had a front-row seat to REAL @DeptVetAffairs reform.

Final jobs report before election shows continued momentum, but media pushes gloomy narrative. Surprise! I'm with @PeteHegseth & @foxandfriends to break it down this morning at 6am.

Same. I'm an essential worker and I've had to go to the office every single day since the pandemic started. I have no sympathy for the people who are just now returning to work and b*tching about how dangerous it is for them.

Sleepy Joe Biden had a particularly bad day today. He couldn't remember the name of Mitt Romney, said again he was running for the U.S. Senate, and forgot what State he was in. If I did any of this, it would be disqualifying. With him, he's just Sleepy Joe!

Christopher Columbus, the most famous explorer in history, was once a celebrated hero. Now, many consider him a villain, a despoiler of paradise. So which version of Columbus is true?

@MichaelJKnowles provides some much-needed historical perspective.

Polls don't vote. People vote.

Pollsters, pundits, group-thinkers & GOP-frauds are in for an even bigger shock than 2016.

@realDonaldTrump's support & enthusiasm is stronger than ever. And broader.

His supporters will walk over glass to vote —in droves.

See you in 2 weeks.

Let me boil this down:

@SeanParnellUSA's far-left opponent wants 28,000 ballots ERRONEOUSLY sent to voters in the WRONG district (heavily Democrat PA-18) to be counted in their race (PA-17).

This is sheer election fraud & he knows it. Could decide this race & POTUS race in PA.

**Conor Lamb** ✓ @ConorLambPA

I'm intervening in this case to protect the rights of all my constituents in Allegheny County & have their votes counted. Your vote shouldn't go in a separate pile or be counted differently b/c of a contractor's mistake. Plenty of time for all to vote & have their votes counted. twitter.com/marceelias/sta...

.@realDonaldTrump is a NYC businessman who was mugged by reality years ago.

He ran in 2016 because he had to — to put #AmericaFirst and reject the status quo of loser Republicans and leftist Democrats.

In 2020 he is running to save America as we know it. May God watch over him.

*"Over the past 24 hours, we have looked closely at the votes already counted, the votes yet to be counted, and widely reported irregularities in those votes. Whether those irregularities end up meaningful or not, it is abundantly clear that this election cannot be decided until every vote is counted and verified as legal.*

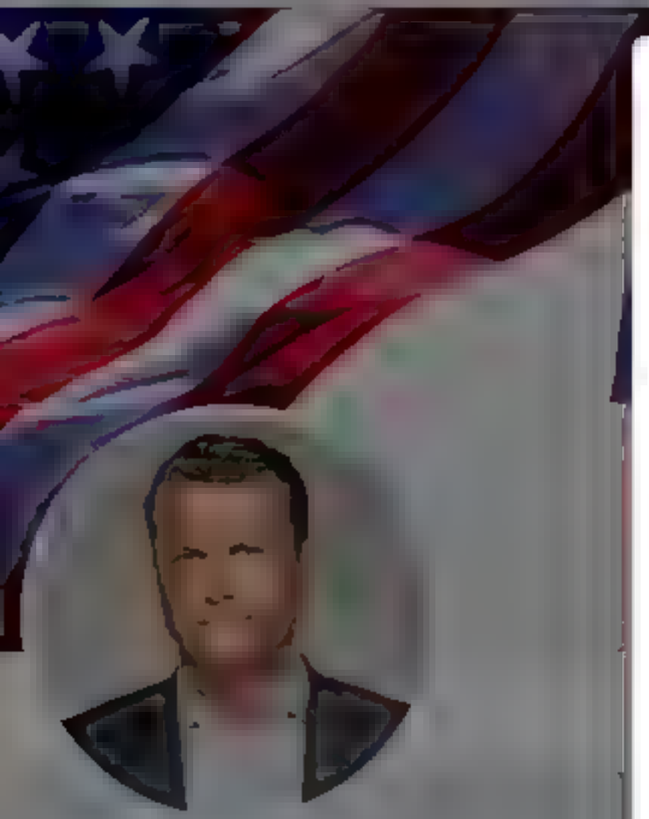
What is being done to Laura Loomer and her congressional campaign is full-on 1984. See below from @parler_app.



Imagine being blocked and banned — by name — as you run a credible race for Congress?

I hope she wins, and wins big!

> This newest ban goes beyond just a ban of the Laura Loomer For Congress Facebook Page (which is required to run ads).
>
> My campaign was told yesterday that if a PAC attempted to advertise to promote my campaign, their ads would be taken down. Facebook said their new policy is that nothing about Laura Loomer is permitted on Facebook and for the duration of the election cycle, my campaign will not get access to run any of our own ads.
>
> People will be banned for simply typing my name "Laura Loomer".

South Dakota requires voter ID (even for early voting.) Ballots must be received on or by Election Day. All paper ballots, which are easy to verify. Counting is bipartisan and open to the public.

We have an EXCELLENT system. Every Democrat-run state should imitate it.

I've been on Twitter for 9 years.

I've been active on Parler for...9 DAYS.

And I now have more @parler_app followers than on @Twitter.

Suppression much?

Most on Parler used to be on Twitter. And, now, they actually see all posts — an actual platform not a leftist publisher.

I didn't fight two wars and lose two legs to be told I can't spend time with my family. As a matter of fact, I did it so YOU could choose how YOU spend your thanksgiving. Honor sacrifice and tell the commies to shove it.

Since this presents an issue of law which has already been thoroughly briefed by the parties, this Court can state that Petitioners have a likelihood of success on the merits of its Pennsylvania Constitutional claim.

# EXCLUSIVE: Statement from Navy SEAL Eddie Gallagher

First, I want to give all the glory in the fight to God. He has been watching over my family and I, keeping us strong and humble throughout this fight. "Count it all joy when you fall into various trials"

I want to thank my beautiful and amazing wife Andrea, our children, and my incredible and loyal little brother Sean. You have fought tooth and nail for me from the beginning and it is because of you we have won this 2-year battle. You are my heroes.

I was blessed with an amazing legal team who have become like family. Tim, Marc, Bernie we will be friends for life. Thank you for fighting by my side.

Thank you to Ralph Norman & Duncan Hunter two members of Congress that fought tirelessly for justice for our family. You both went against the narrative that was being portrayed and spoke out for me. All of your advocating did not go unnoticed and paid off.

To all of my brig crew, you will have no idea what it meant to me when you took the time out of your weekends to come and visit with me. You are one loyal crew and I love you.

It was humbling to see all the veterans and veterans' companies come to my aid and support me. Half face blades, Nineline apparel, forged, recon/sniper foundation, black rifle coffee company and Pete Hegseth...you are true patriots.

Lastly ..President Donald Trump you have my deepest gratitude and thanks. You stepped in numerous times and showed true moral fiber by correcting all the wrongs that were being done to me. You are a true leader and exactly what the military and this nation needs. God bless you and your family

With 1.7 million page views, in "COVID-19 - Evidence Over Hysteria" we laid out one take why the widespread panic resulting from covid may be ultimately self-defeating especially when juxtaposed side by the side with the far greater (and far wider reaching) economic damage sparked by lockdowns. Alas, to this day, the hysteria dominates confirming the old saying to let no crisis go to waste, especially when the crisis in question is the biggest one in generations and allows the establishment to rollout socially and economically transformational changes that would never be

@PeteHegseth

This is what @realDonaldTrump is referring to right now. How can the State of Pennsylvania report (let alone certify?) 120K+ more BALLOTS than VOTERS in the Pittsburgh area? This is not campaign data, this is official state election data.

2020 ELECTION IRREGULARITIES

**ALLEGHENY COUNTY VOTER DEFICIT**

A recent investigation revealed that Pennsylvania has a significant discrepancy in the number of ballots cast in the 2020 General Election versus the number of voters who cast ballots in that election (vote deficit). The data was pulled from the Department of State's own records as recorded in the Statewide Uniform Registry of Electors (*SURE System*). More than half of Pennsylvania's total statewide deficit can be found in Allegheny County

**ALLEGHENY COUNTY**

TOTAL BALLOTS CAST: 726,720

TOTAL VOTERS WHO CAST BALLOTS: 605,754

**120,966** MORE BALLOTS CAST THAN INDIVIDUALS WHO VOTED

**PA17'S PORTION OF ALLEGHENY COUNTY**

TOTAL BALLOTS CAST: 328,491

TOTAL VOTERS WHO CAST BALLOTS: 266,290

**63,637** MORE BALLOTS CAST THAN INDIVIDUALS WHO VOTED

Under Pennsylvania law, if the number of ballots cast exceeds the number of voters who voted, no votes can be recorded until the matter is investigated

§ 3154 - COMPUTATION OF RETURNS AND CERTIFICATION

*"If, upon consideration by said return board of the returns before it from any election district and the certificates aforesaid, it shall appear that* ***the total vote returned for any candidate or candidates for the same office*** *...exceeds the number of registered or enrolled electors in said election district or*

I question the offensive coordinators ability. Why would you call a play with a 2 yard checkdown when your season will be over if you don't get 8 yards.

This is a watershed moment for America. The Left wants to see Donald Trump's face on a mugshot.

Well, get ready because it'll be a poster in every college dorm room and be used as a BIG middle finger to the corporate elite. They're going to make him a HERO.

As a co-host of \"Fox & Friends Weekend\" and a frequent commentator on Fox News, he brings a unique blend of firsthand experience and keen analysis to discussions on national security, veterans' affairs, and American values. In our conversation today, we explore Pete's journey from the battlefield to the newsroom and discuss his views on the current state of American politics, as well as the shocking state of the military.
